

CureMD's 2023 Public Health User Conference

"Connect. Educate. Celebrate."

Call for Abstracts - Now Open

Abstracts due by April 3, 2023 – Deadline extended to May 31st.

CureMD Public Health invites you to submit a proposal to present at the 2023 CureMD Public Health User Conference. The event will be held October 3-4, 2023, at the Raleigh Convention Center in Raleigh, North Carolina.

CureMD's Annual Public Health User Conference is a premier networking and knowledge-sharing event for our public health clients across the U.S. Our clients attend to gain invaluable insights, make impactful connections, and bring back to their agencies actionable techniques to improve health department efficiencies, increase revenue and streamline internal processes.

Don't miss this unique opportunity to be a part of this memorable and impactful event by contributing your expertise and knowledge to public health professionals from various agencies across the U.S. and share ways they can conquer and persevere in this ever-changing healthcare environment.

Theme

This year's theme is **"Connect. Educate. Celebrate."**

Topics for Presentation

The CureMD Public Health User Conference seeks presentations on the topics listed below with suggested areas noted. Presentations are encouraged that address innovative interventions, best practices, and achievements under these topics:

1. **Diversity, Inclusion, and Equity**
2. **Behavioral Health / Mental Health/ Suicide Prevention - role of PH**
3. **The Future of Public Health**
4. **New technology and how it will affect your agency**
5. **Interoperability (FHIR/HIE)**
6. **Public Health Policy Workshop**
7. **Substance/Opioid Abuse**
8. **Social Determinates of Health**
9. **Emergency Preparedness / Lessons Learned**
10. **Workplace Culture- before and after COVID**

*Other areas of public health may also be submitted but priority will be given to those meeting the above topic areas.

Abstract Submission Format Options

Presentations that allow participants to leave with replicable skills and that allow interaction with time for Q&A will be prioritized. Submissions that are innovative are also strongly encouraged. The following formats are eligible for submission:

General Session or Educational Breakout Session Presenter: The presenter(s) will organize the presentation and supporting materials for a captivating session for 15-20 minutes and may or may not be grouped with other speakers with this topic. Session length will allow enough time to engage with audience for discussion and Q&A at end.

Additional Guidelines

Innovative submissions are characterized by, but not limited to, new or creative ideas, cross-sector collaboration, and the dynamic state of change inherent in public health transformation. Presentations may be grouped with others in one session, unless otherwise requested. Requests for more than 20 minutes may be made on the abstract submission form but space for longer presentations is very limited. All presenters will need to register to attend the conference.

Presenters may submit more than one proposal.

Proposal Requirements

The following must be included in the proposal:

- Name of presenter with highest academic degree & institutional affiliation listed.
- Full contact information for each author (address, phone, affiliation, and email).
- Presentation title (short, descriptive).
- Presentation description (no more than 350 words; be detailed so the review committee has as much information as possible to best evaluate your program; address evidence-based methods and how the program promotes attendance).
- Abstract/Program Book Listing (100-125 words; concise and accurate; describe and “sell” the program to conference attendees).
- Three learning objectives written in measurable terms.

You may indicate your preferred presentation format(s). You may select more than one option:

- Educational Breakout Session Presentation or General Session Speaker
